PHD JOURNEY & CHOOSING YOUR AREA OF RESEARCH

DATE: NOVEMBER 30, 18:00
LOCATION: MI HÖRSAAL 2

PhD students
Different PhD journeys
Exciting fields of research

Panelists
Stefanie Mohr
Foundations of Software Reliability and Theoretical Computer Science (i7)
Xiao Wang
Robotics, Cognition and Artificial Intelligence (i6)
Julia Schuller
Software and Systems Engineering (i4)

What motivated them? How did they find their topic and chair? Just come and listen!
In the networking session that follows you will have the opportunity to talk to more PhD students about their experience.
