Deadlines

Deadlines

Monday		Tuesday		Wednesday		Thursday		Friday		Saturday		Sunday	
22	29	30	31 May	1 Jun	2	3	4	Abstract + Slides					
23	5	6	7	8	9	10	11	Preliminary paper					
24	12	13	14	15	16	17	18	Reviews					
Presentation		25	19	20	21	22	23	24	25	Final paper			
26	26	27	28	29	30 Jun	1 Jul	2						

Peer review

- 1-2 pages
- PDF (Latex, `\documentclass{article}`)
- Rough structure
 1. Summary
 2. Praise
 3. Critique
- Additional resources
 1. www.wikihow.com/Write-an-Article-Review
 2. www.peerageofscience.org/review/review-examples/

- Assignment of the reviews on the seminar webpage.
- Materials are published on the day of the presentation.
- `www.kdd.in.tum.de/lehre/sommersemester-2017/efficient-inference-and-large-scale-machine-learning/material/`
- It is your responsibility to not miss your review date.
- Send your reviews to `kdd-seminar-inference@in.tum.de`

Rescheduling

Monday, 26th of June

- Session starts at 12:00

Monday, 24th of July

- Session moved to **Tuesday, 25.07.**
- Select time here
